

## **Bid Requirements**

The Board recognizes the importance of:

- maximizing the use of District resources;
- the need for sound business practices in spending public money;
- the requirement of complying with state and federal laws governing purchasing and public works;
- the importance of standardized purchasing and public works regulations; and
- the need for clear documentation.

### **I. Procurement and Public Works Using State Funds**

#### **A. Furniture, Supplies, or Equipment**

Whenever the estimated cost of furniture, supplies, or equipment (except books) will cost:

- less than \$3,500, no competitive bidding process is required to make the purchase;
- between \$3,500 and \$40,000 competitive procurement requires an informal (verbal or written) quote obtained from at least two vendors.
- between \$40,000 and \$75,000, the Board will follow the informal competitive bidding process by requiring quotes from at least three different sources to be obtained in writing or by telephone and recorded for the public to review;
- over \$75,000, the Board will follow the formal competitive bidding process by:
  1. preparing complete plans and specifications for such purchases;
  2. providing notice of the call for formal bids by publication in at least one newspaper of general circulation in the District at least once each week for two consecutive weeks;
  3. providing the complete plans and specifications to those interested in submitting a bid;
  4. require that bids be in writing;
  5. open and read bids in public on the date, time and in the place named in the notice; and
  6. file all bids for public inspection after opening.

#### **B. Exemptions**

The Board may waive bid requirements for:

- purchases that are clearly and legitimately limited to a single source of supply;
- purchases involving special facilities or market conditions;
- purchases in the event of an emergency;
- purchases of insurance or bonds; and
- public works in the event of an emergency.

"Emergency" means unforeseen circumstances beyond the District's control that present a real, immediate threat to the proper performance of essential functions or will likely result in material loss or damage to property, bodily injury or loss of life if immediate action is not taken.

Whenever bid requirements are waived, a document explaining the factual basis for the exception and the contract will be recorded and open for public inspection.

### **C. Rejection of Bids**

The Board may by resolution reject any and all bids and make further calls for bids in the same manner as the original call.

### **D. Interlocal Cooperation Act**

The Board reserves the right to enter into interlocal cooperative agreements for purchases and public works with other governmental agencies pursuant to the Interlocal Cooperation act, Chapter 39.34 RCW..

### **E. Crimes Against Children**

The Board shall include in any contract for services with an entity or individual other than an employee of the District a provision requiring the contractor to prohibit any employee of the contractor from working at a public school who has contact with children at a public school during the course of his or her employment and who has pled guilty to or been convicted of any felony crime specified under [RCW 28A.400.322](#). The contract shall also contain a provision that any failure to comply with this section shall be grounds for the District immediately terminating the contract.

### **F. Use of State Funds for Improvements or Repairs**

The Board may make improvements or repairs to District property through a District department without following the competitive bidding process if the total cost of improvements or repairs does not exceed \$75,000. If the Board estimates that the total cost of a building, improvement, repair, or other public works project is \$100,000 or more, the Board will follow the formal competitive bidding process outlined above unless the contract is let using the small works roster process authorized by RCW 39.04.155 or under any other procedure authorized for school districts.

## **II. Procurement Using Federal Funds**

### **A. Services**

When federal funds are used for procurement of **services**:

- Purchases of \$3,500 or less do not require quotes. However, the District must consider price to be reasonable, and, to the extent practical, distribute purchases equitably among suppliers.
- Purchases between \$3,500 and \$150,000 must be procured using price or rate quotations from a reasonable number of qualified sources.
- Purchases of \$150,000 or more must be publicly solicited using sealed bids.

### **B. Noncompetitive Proposals**

Procurement by **noncompetitive** proposals may only be used when one of the following four circumstances applies:

- The item is only available from a single source;
- The public exigency or emergency for the requirement will not permit a delay resulting from competitive solicitation;

- The awarding agency (e.g., OSPI) authorizes a noncompetitive proposal in response to a written request from the District; or
- After solicitation of a number of sources, competition is determined inadequate.

The District must maintain documentation supporting the applicable circumstance for noncompetitive proposals.

### **C. Suspension and Debarment**

Before entering into federally funded vendor contracts for goods and services that equal or exceed \$25,000 and any subcontract award, the District will ensure the vendor is not suspended or debarred from participating in federal assistance programs.

### **D Conflict of Interest**

No employee, officer or agent may participate in the selection, award or administration of a contract supported by federal funds if he or she has a real or apparent conflict of interest. Such a conflict would arise when the employee, officer or agent, any member of his or her immediate family, his or her partner, or an organization which employs or is about to employ any of the parties indicated herein has a financial or other interest in or a tangible personal benefit from a firm considered for a contract.

No employee, officer or agent of the District may solicit or accept gratuities, favors or anything of monetary value from contractors or parties to subcontracts. Violation of these standards may result in disciplinary action including, but not limited to, suspension, dismissal or removal.

### **III. Procedures**

The Superintendent or designee will establish bidding and contract awarding procedures consistent with state and federal law.
